

Fifth Year of the PMCT Mentor/Intern Program

PMCT is proud to announce its fifth year of the Mentor/Intern program that pairs experienced teachers with newly hired teachers in their very first year of teaching. The “senior” teachers are paired with the intern as to subject matter as well as school placement. After being introduced at a late August meeting, the mentor and intern go to their respective schools and the mentor shows the intern the everyday workings of being a teacher. Issues such as “how to take attendance”, “where books are stored”, “what is hall duty?” etc. are handled in the initial visit to the school. Upon the second meeting and throughout the school year, the mentor and intern will meet several times a week to discuss lesson planning, classroom management and test writing among other concerns.

The program has been extremely successful in the past and PMCT will continue to offer the assistance of mentors to all new teachers entering the district in years to come. The list of mentors and interns is shown below.

Mentor	Intern	School/Subject
Jen Carluccio	Steve Alfano	HS Social Studies
Gail Shafer	Thomas Anello	HS Science
Fran Koczisky	Shannon Barrett	HS Science
Heather Boschen	Lauren Bookman	Canaan 1st grade
